Waiting Time- We will proudly accommodate you with extra hours if our schedule allows it. We will try everything within our power so that our customers are not left without transportation. We ask that you please plan ahead of time and try to calculate adequate time needed for your event to prevent any inconvenience. Please inform us as soon as possible if you will need additional hours/waiting time so that we can accommodate not only you but our next customer accordingly. The first 15 minutes will be free of charge. Any time over the original purchased time up to an hour, will accrue a 1 hour service charge at the regular rate. However, any hours past that extra hour, will accrue hourly service rates accordingly, depending on the time needed. This time will be charged at a regular rate + \$15 per every hour accordingly to the vehicle in use.

After hours charge- Any reservation set between the hours of 12 am - 6 am will be charged a \$30 fee per hour on our hourly rate or per Airport Transfer (**pick up and drop off**).

Airport Transfers

*Airport Drop-off Transfer Rate x 1.5 = Airport Pick-up Transfer rate.

***Waiting Time**- Extra charges will accrue for any time after our 15 minute grace period from original scheduled time of arrival of your flight. This fee is calculated as, Airport Drop-off Transfer Rate x 2. If there is more of a delay after 45 minutes of your original scheduled arrival, we will start charging you at our regular hourly rates.

*Airport Transfers can be either Point to Point or Door to Door (*these transfers are non stop only*)

*There is a \$10 charge for each additional passenger, regardless of age (family members: i.e. spouse, or children are excluded from this charge)

*If Airport Transfers is Door to Door, there will be a \$20 additional charge for every door pick up or drop off if more than 1 door is scheduled.

*Clients requesting any extra Stops or Wait Time will void Airport Transfer rate and the service will be billed as Hourly reservation.
